DECISION OF THE COURT

Subsequent to reviewing the case file and responses thereto—registered under references 2688-13/8/86 [4 November 2007] and 2152-25/6/86 [16 September 2007]—considering that the plaintiff meets the criteria as defined by the bill reference 1337/M/S-6/12/69 [25 February 1991] ratified by the Supreme Council of Cultural Revolution and is thus considered to have failed and has no valid argument to prove that there has been a violation of the guidelines in order to justify his claim, his grievance is not recognized.
